

There's more to see and do than ever before with the new Penguin Palooza Exhibit!

Our brand new Penguin Palooza Exhibit sponsored by Kroger is home to one of the most diverse collections of cold weather penguins in the country that includes Gentoos, Kings, Chinstraps, Rockhoppers and more. It's an entirely new guest experience featuring a new habitat and new seating. Kids can play with penguin interactives and enjoy an entertaining new Penguin Palooza show the whole family will love.

More penguins. More fun!

Penguin Parade

The Penguin Parade is free and open to the public every morning. It takes place on the plaza in front of the Aquarium or inside the Aquarium lobby during inclement weather. Our African penguins arrive in their custom-made Penguin Mobile amidst a ton of fun and fanfare. A Newport Aquarium biologist will share interesting facts about penguins and conservation. Each day, one lucky child will be chosen at random to be the Parade's Grand Marshall.

Penguin Encounters

This 20-minute experience allows guests to see African penguins up-close and personal. Led by an experienced biologist, a typical visit may include a chance to touch the penguins and see them waddle, swim and shake their tails. Plus, photos are permitted to capture the memory forever. These African birds live in a temperate environment in the behind-the-

scenes Penguin House, so no coats are needed.*

Behind-the-Scenes Tours

Get an inside look at the Aquarium and learn what it takes to maintain a million-gallon environment. In a guided tour, you'll see miles of pipes, explore how the animals are fed and visit the dive station and acclimation area. You'll also learn more about our vet and water quality labs. From divers in fins to animals in transport – you never know what you'll discover.*

**Penguin Encounters and Behind-the-Scenes Tours require additional tickets that can be purchased at any ticket window or the Information Desk. Guests under 16 years of age must be accompanied by an adult.*

For Everyone's Enjoyment and Safety

Please respect the special diets of the animals and don't attempt to feed them. Treats or "people food" can harm them. Aquarium policy prohibits food or drink from being brought into the Aquarium.

Please help us by not throwing items into the habitats of the animals. Even simple objects can be hazardous if swallowed.

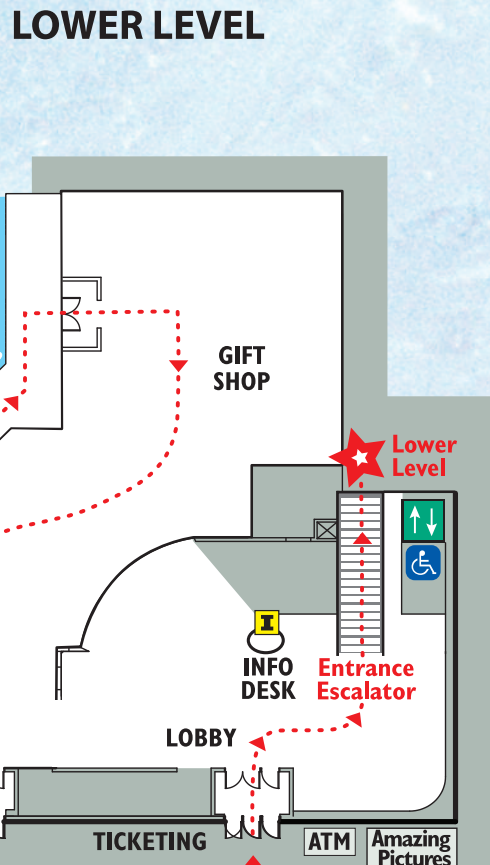

Fences and barriers around the animal areas are there for your safety and the safety of the animals. Please stay on the walkways and viewing areas provided.

We want all children to have a great time in all Aquarium play areas. Parents and chaperones, please guide children to use these areas properly. Climbing on rockwork wall areas and railings is prohibited.

Please remember that the Newport Aquarium is a smoke-free environment.
